GENERAL PRODUCT SAFETY REGULATION (GPSR) COMPLIANCE STATEMENT

3 May 2025

I, Brady Ridgway, trading as Sonciel, hereby declare that the ATtiny Programming Shield for Arduino Uno R3 has been assessed according to the General Product Safety Regulation (EU) 2023/988 and meets the general safety requirements for low-voltage passive electronic accessories.

A risk assessment has been carried out and concludes that the product poses no health or safety risk under normal or reasonably foreseeable usage conditions.

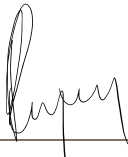

Signed for and on behalf of:

Brady Ridgway

Position: Quality & Compliance Officer

Date: 10 April 2025

Place: Malves-en-Minervois, France
